All largemouth / smallmouth / Kentucky / meanmouth must be a minimum of 15 inches in length.

Short fish will result in a one (1) pound penalty per fish, plus the loss of the fish. A dead fish will result in a one (1) pound penalty per fish. If the dead fish is your big bass, the one (1) pound penalty will be deducted from that fish. Culling of dead bass is prohibited.

No more than 5 fish are allowed in your live-well at any time, unless it is during the culling process. Anyone bringing more than five (5) fish to the bump tub will not be allowed to weigh in any fish that day.

All fish weighed in must be caught during the official tournament hours.

> WEIGH-IN BAGS:

All fish must be brought to the scales in an Anglers in Action weigh-in bag, do not use your personal bag. Weigh-in bags will be located next to the tournament trailer. If none are available, please wait in line until the next one is free. Thank you.

> SAFETY & SPORTSMANSHIP:

Safe boating must be observed at all times. **LIFE JACKETS & KILL SWITCHES** must be used any time the combustion motor is running above an idle. All contestants are required to follow the highest degree of sportsmanship, courtesy, and conservation. No alcohol or controlled substance can be used or allowed in the boat during the tournament hours.

> LATE PENALTY:

There will be a one (1) pound penalty for every minute you are late checking in, up to ten (10) minutes, then disqualification for that day.

> TIES:

If a tie occurs for overall weight or big bass, the prize money will be combined for those places and divided equally to the tied teams. If the tie is for the grand prize, the heaviest one-day catch for the tournament will break the tie.

> TACKLE AND EQUIPMENT:

Only artificial baits/lures are allowed. All bass must be caught alive on a rod and reel. Only one rod and reel can be used at any time by any one angler. Alabama/umbrella rigs are allowed (max of 3 hooked baits).
